Subject: Annual Report of Staff Participation in the California State
Employees Charitable Campaign 2012

Every year state employees are given the opportunity to participate in the California State Employees Charitable Campaign (CSECC) in order to contribute to nonprofit organizations supported by the United Way. The theme for 2012 was *Your Choice, Your Community, Our California*.

The annual 'kick off' for the campaign begins in August, but since we are a small office, the Board conducts fundraising events throughout the year. The events include ice cream socials, pot lucks, rummage sales, plus drawings for items donated by local businesses. These events are in addition to the pledge forms which give staff the opportunity to contribute to designated organizations through one-time donations or through monthly payroll deductions.

The Board raised a total of \$4,375.00 for the 2012 campaign through generous donations made by Board Members, Administrative Law Judges and staff, and through the fund raising events mentioned above.

This memorandum is being provided for informational purposes only, and no Board action is required.
